Geelong Royal 2019

Young West Vic guns, Tahila Young and Angus Richardson rode the Carrigan-Walsh horses for great results.

Angus Richardson rode LabanJack Royal Encounter to win Reserve Champion Hack and had a win in the 4yo Working class. Super job for a very new team.

Tahlia Young rode Kardinia Niah for a win in the gelding hack and working class then went on to Champion Working and the SUPREME Ridden. A terrific effort for a newcomer to the ASH world!

5- If you could invite a famous person to dinner who would it be? Ash Barty world no 1 tennis player, because she is such a great Aussie ambassador who is so cool and calm and someone to admire, also she could give me some tips for my Tuesday night tennis, I need all the help I can get.

6 -Best holiday destination?

Hard to beat the horse ride we went on in the Canadian Rockies in 2011, other than that we really enjoy traveling Australia in the van and looking for that perfect spot.

7- If you won 10 million dollars what would be your most significant purchase?

Wouldn't mind some acreage somewhere in a warmer climate to get away from our cold winters with an arena to work the horses with some bush out the back gate for Marl and must have river frontage with good fishing and good sized house for when all my new freeloading friends from Victoria want to escape winter as well.

8-What is your most enjoyable horse discipline?

That's a bit hard, riding and camping in the mountains is pretty good but I enjoy the challenges as well. It's pretty satisfying when it all rarely

comes together at a challenge.

9-Your most memorable sporting achievement good or bad?

Besides winning the iron horse category at the Nationals a couple of years ago, I've had a few moments over the years, had some success at speedway in younger days, I was pretty chuffed when I won the A grade badminton singles championship as we had some really good players in our competition in those days. Also rather happy to win champion working at a show over some big guns in the stock horse circle.

10- You take a mark 5 meters from goal your teammate is in the goal square on his own what do you do? Bigger the teammate, winners are grinners, kick the goal and take the glory.

THE GRILLING

1 – Name Ian Gladman

2-Nick name if any? Gladly

3-What is the best Australian Stockhorse you've seen? Haven't really got a favorite, so many good ones out there specially at nationals where you could bring a truck load home.

4-Favourite Food? Really hard to go past a good old fashioned roast with all the trimmings then followed up with some of Marl's brandy snaps.
